

SECURITY

The Marshfield Police Department believes in the premise of a secure venue related to occasions and festivities involving the serving and sale of alcoholic beverages. The accountability for this secure venue falls on the applicant and those working the event. Knowing this, do you agree to the following:

- 1) Check all participants ID's to ensure they are of legal drinking age before being served? Y N
- 2) Utilize wristbands, hand stamps, or both to identify those who are of legal drinking age? Y N

If your response is "No", what precautions will be taken to ensure those serving know the age of the guest?

- 3) Provide a secure perimeter surrounding the event with double fencing with a single entrance? Y N

If your response is "No", what precautions will be taken to ensure underage individuals do not gain access to alcohol? _____

- 4) Are you interested in having a refresher for you and your staff on responsible beverage serving at community events such as this? Y N

If Yes, please give 2 dates and times you would like this offered. _____

- 5) Please list any other safety precautions you intend to take for this event _____
