FOR IMMEDIATE RELEASE

City of Marshfield Comprehensive Plan Amendment Request

Monday, June 1, 2020 – Two applicants have requested to amend the Future Land Use Map in the City's Comprehensive Plan. A public hearing will be held on Tuesday, June 9, 2020 at 6 p.m. in the City of Marshfield's Council Chambers at City Hall. Members of the public will have the opportunity to review the proposed changes and provide input during this time.

The Future Land Use Map is an important tool used by City staff and decision makers when deciding whether to approve or deny development projects or zoning requests. Both applicants are requesting to change the future land use designation from low density single family residential (<5 units per acre) to medium density residential (3-10 units per acre).

The proposed changes to the map are available on the City's website at ci.marshfield.wi.us/departments/development_services/comprehensive_plan.php. If you have any questions please contact Bryce Hembrook at the City Development Services Department at 715-486-2074 or Bryce.hembrook@ci.marshfield.wi.us.
